

HOW FESTIVAL WORKS

FESTIVAL WILL BEGIN MONDAY MAY 5TH AND END FRIDAY JUNE 13TH. DURING THIS TIME ACTIVITIES DONE IN STUDIO WILL EARN YOU POINTS TOWARDS PRIZES AND BONUSES. IT IS YOUR RESPONSIBILITY TO TRACK YOUR POINTS ON A TRACKING SHEET AND PLACE THEM IN THE POINTS BOX. BOTH THE SHEET AND BOX ARE LOCATED ON THE FRONT DESK. EACH WEEK WILL HAVE ITS OWN SPECIAL THEME.

Step back in time to the glitz and glamour of the jazz age with our 1920's-inspired *Foxtrot* experience! Glide across the floor with the smooth sophistication of the Foxtrot and then kick up your heels with the high-energy charm of this dazzling era. Dress up with your feathers, pearls, and bowties, and get ready to Charleston your way into the weekend Foxtrot style-with a twist!

Week Three: 5/22 – 60's

Get Groovy with the 60's *Cha Cha*! Welcome to the sixties and feel the beat of the Cha Cha! With bold colors, classic tunes, and the signature Latin rhythm that made this dance floor favorite a 60's sensation, we're bringing flower power and funky footwork together. Whether you're a mod mover or a Cha Cha newbie, you'll love the playful, upbeat vibe of this retro routine. Grab your go-go boots, twist and turn, and let's Cha Cha our way back in time! Peace, Love, & Cha Cha!

Week Five: 6/5 – 80's

Get Footloose with 80's *Night Club Two Step*! Grab your leg warmers, tease that hair, and slide into the groove it's time to party 80's style! Join us for a high-energy Night Club Two Step class set to your favorite throwback hits from the decade of neon and mixtapes. Whether you're a seasoned dancer or stepping onto the floor for the first time, this session is all about fun, flair, and fabulous footwork. Think big beats, big smiles, and bigger hair! Bring your best 80's attitude and get ready to rock that rhythm!

Week Two: 5/15 – 50's

Get ready to swing into the 50's! Put on your saddle shoes and slick back that hair- it's time to jump, jive, and wail at our *Lindy Hop* dance party! Step back into the rockin' 1950s as we bring the high-energy rhythm of swing alive with vintage tunes, infectious footwork, and feel-good vibes. Whether you're a jitterbug beginner or a hepcat on the dance floor, join us for a night of spins and retro flair. Classic looks encouraged—poodle skirts, bow ties, and bobby socks welcome!

Week Four: 5/26 – 70's

Get Ready to Do the *Hustle*! Slide into your bell bottoms, dust off those platforms, and boogie down to the ultimate '70s Hustle party at the festival! Feel the funk, spin to the disco beat, and show off your smoothest moves under the shimmer of the disco ball. Whether you're a seasoned soul train dancer or just feelin' the groove, this is your moment to shine. So, grab your crew, strike a pose, and let's Hustle like it's 1979! Can you dig it?

Week Six: 6/12 – Prom!

Get ready to take a trip down memory lane! Join us for a *Decades Prom Party*, where the theme is to dress in the fashion from the decade of your high school prom. Whether you rocked 80's glam, 90's grunge, or any other iconic era, this is your chance to relive those unforgettable years. Dust off your old prom attire, or get creative with a vintage-inspired look, either way, it's going to be a night full of nostalgia, dancing, and fun! Let's *Waltz* the night away, time travelers!
